

INVENTORY CONTROL & RECEIVING SUPERVISOR

Day shift - Monday through Friday 6AM – 3PM

Come to work in the exciting Beverage Industry! Atlas Distributing is a family-owned, family operated full-service beverage distributor servicing licensed and non-licensed customers throughout the central Massachusetts market since 1933. Our mission is to be the number one sales, delivery, merchandising, and customer service organization in the beverage industry. We have been voted the Best Overall Company to work for by the Worcester Telegram and Gazette.

INVENTORY CONTROL & RECEIVING SUPERVISOR OVERVIEW

Lead, direct, and motivate our receiving team, while being responsible for inventory movement throughout our 130,000 sf facility, including receiving and put-away, replenishment, physical and code date inventories, and more. You will have input and insight into product handling activities of other shifts, and be counted to on to play a key role in working toward our operation department's achievement of quality and long-term objectives.

INVENTORY CONTROL & RECEIVING SUPERVISOR RESPONSIBILITIES:

Empower, lead, coach, and develop a successful team to deliver Atlas' mission of becoming the number one sales, merchandising, delivery, and customer service organization in our market area. Essentials to success include the training and development of team members, while maintaining consistent controls and protocols over product movement and processes.
